## Sponsorship Opportunities

Our members have been asking for more networking socials!

With that in mind, we are looking for 12 Chamber members to each host a monthly after-hours social at their place of business or organization headquarters.

We will help you advertise your event and make it successful.

You will need to provide light refreshments and beverages - think about splitting the cost by partnering with another business.

This is a great opportunity to showcase your location and product or service.

For more information, call the Chamber office 392-3245.
