Thriving local businesses keep small economies humming. This initiative is being launched in order to educate and remind the community of their responsibility to spend money locally to support recovery of our local economy. It is important now more than ever for us to shop local businesses, due to the effects of COVID-19, which has left many shops scrambling to revive and reimagine.

That is why we’re going to begin rolling out #GoLocalGoBIG BINGO! This will further incentivize our community to spend in our community.

And for $25, you can reserve your business’s spot on the board!
